Taking your fleet at new extremes. Experience all new possibilities.

Welcome to Our Company

MyCo Corporation is the authorized dealer of LONGMARCH, FORTUNE, MEGASTONE & SLM in Pakistan & Afghanistan where we deliver all kinds of tyres to our commercial and non-commercial customers. Our diverse range falls around 60 distinct types of tyres that cover almost all sorts of consumer demand in this region. We have a long history of dealing in similar sectors integrating into business lines both forward and backward. We have invested years of experience and dedication into building a futuristic company that not only be the best choice for their customer but also their employees. Our manufacturers have a long reputation for producing tyres and their experience in producing tyres stretches over half a century rounding to 6 decades to be exact. That is a lot of experience when it comes to production. This reflects how committed we are when it comes to delivering high-quality tyres to our customers.

Our Community

We want to let our community know that even though MyCo Corporation is a private entity but we believe and invest a lot in making our community a better place for all. Our very supportive leadership is constantly working on building a community where employees are free to share what they feel and contribute to making our company a better place for them to work. We are also working on our corporate social responsibility and are aiming to integrate environmental-friendly technologies to provide the best of the quality that can be provided. We are also trying to stay as green as we could and working on staying under the radar when it comes to carbon emissions.

Our Company Values

Our core values are the soul of what we do and how we do it. We prefer to be human rather than being working robots.

MYCO CORPORATION

Our Mission

Expanding our wings deep into the world of the tyre market. Reaching our customers beyond their accessibility.

Our Vision

By bringing in the innovation, we want to equip you with the modern day solution and building a relationship of trust and integrity.

CEO, MYCO Corporation
Shabir Ahmad Afridi

What started as a mere passion now has grown into something exciting and of great value. MyCo Corporation now has a vast experience of 40 years which provides with enough evidence to makes us the best in what we do. Over the 4 decades of our work experience, MYCO Corporation has successfully gained a reputation to work with giants like Longmarch, Fortune & SLM tyres to provide our users with top-notch quality tyres. Moreover, this reputation of ours is now helping us to develop business in new dimensions, after successfully targeting the Asian market, MYCO Corporation will be launching their operations in the Middle East as well.

Due to our experience in the complimentary industry, it was easy for MyCo Corporation to gauge the pros and cons of the tyre industry. That was the building block of our mega empire today. Our continuous efforts of being the best and using best practices to be best are what has made us the best in Pakistan when it comes to tyre distribution.

Mr. Shabir Ahmad (CEO)
Standing with President of Pakistan along with LM & SLM Management

Joint Venture with Longmarch China & Servis Longmarch Pakistan.

AUTHORISED SOLE DISTRIBUTOR AND SHARE HOLDER (LOCAL MARKET BRAND)

In a strategic initiative to broaden market reach and enhance operational efficiencies, Myco Corporation has established a joint venture with Longmarch and Servis Tyre. This partnership brings together three influential stakeholders under a unified collaborative framework. As the sole distributor and principal shareholder, Myco Corporation will capitalize on its extensive distribution network and industry expertise to drive the venture's success. Meanwhile, Longmarch and Servis Tyre, renowned for their advanced manufacturing capabilities and technological innovations, will contribute their specialized knowledge and production strengths. The joint venture is designed to integrate these complementary strengths, thereby improving product offerings, optimizing supply chains, and increasing market penetration. The combined resources and strategic alignment of Myco Corporation, Longmarch, and Servis Tyre are expected to generate substantial value and competitive advantage within the tire industry.

ESTABLISHING SLM IN LOCAL MARKET

MYCO corporation playing a very key role to enhance the sales volume of SLM by providing them reach of maximum numbers of market share in Pakistan to established and recognized this brand in Pakistan's Local Market.

Why Choose Us?

1. Dedicated to meet the dynamic changes of our modern-day where change is as probable as taking the next step, MyCo Corporation is committed to providing our consumers with the most certain thing and that is quality.

2. Staying loyal to our customers, never compromise on the quality of our product range, solving the problems of our customers, our infrastructure that has deep roots in the region and an uninterrupted supply chain to meet the demands of our consumers.

3. We have also maintained reserves to cope up with the uncertain fluctuation in the demand. We have also hired top-level experts in our industry so we can always stay one step ahead when it comes to problem-solving.

4. We Provide a range of products that includes both on-road and off-road tyres and also for commercial and non-commercial vehicles all under one hood.

It took us 40 years of blood and sweat to be at the position that we are today. 40 years of non-stop hard work, dedication, and the thirst to be the best. And now when we are finally at that stage, and after reaching there the message to the world is very loud and clear. Keep working, keep hustling never rest until you have achieved what you dream for.
